

motion

Motion is all about **SWIRLING SHAPES, SPIRALS AND GEOMETRICS**. There's a 1970's **RETRO FEEL** to this range. Our studio has used traditional intaglio print techniques, creating **TEXTURED SURFACES**, and blocky background effects for added interest. Colours are **WHITE AND BRIGHT: RED, TURQUOISE AND BLACK**, with flashes of **NEW EMERALD, AND PURPLE ACCENTS**.
